Dubow has signed the Schedules and Statements for Great Expectations International Inc. Mr. Dubow serves as the Secretary for Great Expectations International Inc. In reviewing and signing the Schedules and Statements, Mr. Browne, Mr. Dubow and Ms. Browne have necessarily relied upon the efforts, statements and representations of various personnel of the Debtors. Mr. Browne, Mr. Dubow and Ms. Browne have not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

The Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of *all* of the Schedules and Statements. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.²

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. While those members of management responsible for preparation of the Schedules and Statements have made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based upon information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements which may warrant amendment of the same. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate.

² The Global Notes are in addition to the specific notes contained in each Debtor's Schedules and Statements. The fact that the Debtors have prepared a "specific note" with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' remaining Schedules and Statements.

Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases, including, without limitation, any issues involving substantive consolidation, equitable subordination, defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

Description of Cases. On November 8, 2009 (the "Original Petition Date") and November 20, 2009 (the "Subsequent Petition Date")³, collectively (the "Petition Dates"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code under case numbers 09-13931, 09-13932, 09-13933, 09-13934, 09-13935, 09-13936, 09-13937, 09-13938, 09-13939, 09-13940, 09-13941, 09-13942, 09-13943, 09-13944, 09-13945, 09-14125, 09-14127, 09-14129, 09-14130. The cases were consolidated for procedural purposes only under Case No. 09-13931. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On November 10, 2009, an order was entered directing joint administration of these chapter 11 cases. Each Debtor's fiscal year ends on December 31. In addition, on November 24, 2009, an order was entered directing that all orders that had been entered previous to the Subsequent Petition Date be made applicable to the Debtors who filed on the Subsequent Petition Date. All asset information contained in the Schedules and Statements, except where otherwise noted, is reported as of the close of business on the Petition Dates for each respective Debtor. All liability information contained in the Schedules and Statements are reported as of the best available pre-petition information.

Recharacterization. Notwithstanding that the Debtors have made reasonable best efforts to correctly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized or designated certain items. Thus, the Debtors reserve all rights to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.

Basis of Presentation. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for all subsidiaries and affiliates (including the Debtors, the "Company"), which in the past have been audited annually. Unlike the consolidated financial information included in the Company's audited financial statements, the Schedules and Statements reflect the assets and liabilities of each Debtor based on their unaudited books and tax records. Each Debtor generally maintains its accounting records in accordance with GAAP used in the United States. However, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP.

Liabilities. The Debtors allocated liabilities between the pre-petition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is

³ The following entities filed voluntary petitions on this date: Advanta Ventures Inc., BizEquity Corp., Ideablob Corp., and Advanta Credit Card Receivables Corp.

conducted, the allocation of liabilities between the pre-petition and post-petition periods may change. The Debtors reserve all rights to modify, amend and supplement the Schedules and Statements as is necessary and appropriate.

Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay, in their own discretion, certain pre-petition obligations to employees, taxing authorities, potential lienholders, and certain customers of the Debtors. As further indicated below, in the case of certain taxing authorities, the Debtors' investigation regarding the validity of such claims is ongoing, and certain claims for which the Debtors may ultimately determine they have no liability have been scheduled as "contingent" claims.

The liabilities listed on these Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

Debtors. Each Debtor's Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to that Debtor's accounting records.

Reporting Date. Except as otherwise noted, the Debtors' Schedules and Statements are prepared as of the close of business on the Petition Dates. In some instances, the Debtors have used estimates where actual data as of the Petition Dates were not available.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as (a) directors; (b) officers; (c) partners; (d) general partners; (e) relatives of directors, officers, or partners of the Debtors; and (f) debtor/non-debtor affiliates. Payments to Debtor/non-Debtor affiliates are represented as the net change in the intercompany balance line items of the general ledger over a period of approximately one year.

Intercompany Claims. Any and all receivables and payables among the Debtors in these chapter 11 cases and their affiliates (each an "Intercompany Receivable" or "Intercompany Payable" and, collectively, the "Intercompany Claims") are reported on Schedule B and Schedule F, respectively. The listing of these amounts is not and shall not be construed as an admission of the characterization of such balances, as debt, equity or otherwise.

Executory Contracts. The Debtors have not set forth executory contracts as assets on Schedule B. The Debtors' executory contracts have been set forth on Schedule G.

Classifications. Listing a claim (1) on Schedule D as "secured," (2) on Schedule E as "priority," (3) on Schedule F as "unsecured," or (4) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

Claims Description. While the Debtors have made every effort to properly classify each claim listed in the Schedules and SOFAs as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors'

obligations to same. Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve all rights to dispute any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability, classification or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated." Moreover, the Debtors reserve the right to amend their Schedules and Statements as necessary and appropriate.

Causes of Action. Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

1. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- (a) **Currency.** All amounts are reflected in U.S. dollars.
- (b) **Undetermined Amounts.** The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.
- (c) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (d) **Current Market Value - Net Book Value.** Current market valuations are neither maintained by, nor readily available to, the Debtors. Accordingly, the Debtors' Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book value. Also, assets that have been fully depreciated or that were expensed for accounting purposes do not appear in these Schedules and Statements as they have no net book value.
- (e) **Paid Claims.** The Debtors have authority to pay certain outstanding pre-petition payables pursuant to a Bankruptcy Court order. Accordingly, outstanding liabilities have been reduced by any Bankruptcy Court approved post-petition payments made on pre-petition payables. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action, such as filing claims objections, as is necessary and appropriate to avoid over payment or duplicate payments for liabilities.

- (f) Excluded Assets and Liabilities. The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: goodwill; and accrued liabilities including, but not limited to, accrued salaries and employee benefits, tax accruals and accrued accounts payable. Other immaterial assets and liabilities may also have been excluded.
- (g) Liens. The inventories, property and equipment listed in the Schedules and Statements are presented without consideration of any liens.

2. Specific Schedules and Statements Disclosures

- (a) Schedule B2. The Debtors have relied on bank statements to list the bank account balances as of the respective Petition Dates, for amounts related to checking, savings and other financial accounts.
- (b) Schedule B5. The value of the artwork as represented in the general ledger at cost.
- (c) Schedules B13 & B14. Ownership interests in subsidiaries, partnerships and joint ventures have been listed in these Schedules at an undetermined amount because the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from the net book value.
- (d) Schedule B16. The Debtors have listed accounts receivable balances at net book balances as of the Petition Dates. The amounts reflected herein may not be collectible.
- (e) Schedule D. Except as otherwise agreed pursuant to a written agreement, stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary.

The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

- (f) Schedule E. The Debtors have authority to pay certain pre-petition obligations including payment of employee wages and other employee

benefits in the ordinary course of business pursuant to the interim Order (A) Authorizing the Debtors to (i) Pay Certain Employee Compensation and Benefits and (ii) Maintain and Continue Such Benefits and Other Employee-Related Programs and (B) Authorizing the Debtors' Financial Institutions to Honor and Process Checks and Transfers Related to Such Obligations (the "Employee Wages Order") [Docket No. 23]. Pursuant to such Employee Wages Order, the Debtors believe that any employee claims for pre-petition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.

- (g) Schedule F. Schedule F contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as "undetermined" and marked as contingent, unliquidated and disputed in the Schedules and Statements.

Schedule F reflects the pre-petition amounts owing to certain counterparties to executory contracts and unexpired leases. Schedule F does not include rejection damages claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

The claims of individual creditors for, among other things, merchandise, goods, services or taxes are listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts.

The RediReserve and Investment Notes are represented as an aggregated amount owed to The Bank of New York Mellon, as indenture trustee under the Investment Note Indenture and 8.99% Indenture (both as defined in the Rosoff Declaration). Amounts owed to each individual Note Holder are not set forth herein.

- (h) Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Dates or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of

first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

- (i) Schedule H. For purposes of Schedule H, only the agents under the pre-petition credit facilities or counterparties which are the subject to a guaranty are listed as Co-Debtors on Schedule H. The Debtors have not listed any litigation related Co-Debtors on Schedule H. Instead, all such listings can be found on the Debtors' Schedule F and Statement 4a.
- (j) Statement Questions 3b and 3c. Receipts and disbursements are made through a centralized and consolidated cash management system. Payments made are listed by the entity making such payment notwithstanding that certain payments have been made on behalf of another entity. As such, only certain Debtors include a response to Statements questions 3b and 3c.
- (k) Statement Question 14. Property of employees and property of debtor and non-debtor affiliates has not been listed in the Statements Question 14; these items include, but are not limited to, office equipment and supplies, automobiles, and art or other collections.
- (l) Statement Question 19(d). At the end of each of its fiscal quarters, fiscal years and upon the occurrence of significant events, the Debtors prepared and filed with the Securities and Exchange Commission (the "SEC") Forms 10-K, 10-Q and 8-K (collectively, the "SEC Filings"). The SEC Filings contain financial information relating to the Debtors. Because the SEC Filings are public record, the Debtors do not maintain records of the parties who requested or obtained copies of any of the SEC Filings from the SEC or the Debtors. In addition, the Debtors provide certain parties, such as banks, auditors, potential investors, vendors, customers and financial advisors, financial statements that may not be part of a public filing. The Debtors do not maintain complete lists to track such disclosures. As such, the Debtors have not provided lists of these parties in the Statements.

Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

(if known)**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112. and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)
